

Meclina Murphy

Remote Graphic Designer Print Production Artist

As a skilled Graphic Designer & Print Production Artist with 19yrs of experience, I specialize in creating high-quality digital and print-ready designs. My expertise includes graphic design, pre-press processes, color management, and file preparation. I have a keen eye for detail and a strong understanding of digital and print technologies, which allows me to troubleshoot issues and optimize workflows effectively. Let's create something exceptional together!

Professional Qualifications

**Remote Graphic Designer | Print Production Artist | Partner at Infehnite Design
Kingston, MA.
2006 - Present**

Developed and implemented successful brand identities for startups and established businesses.

Designed branding graphics, marketing materials, product labels, and packaging for digital and print projects, ensuring high quality and consistency.

Created engaging digital content, including social media graphics, email assets, and websites.

Exceptional creativity and innovation with a flexible art and writing style.

Skilled at working with diverse teams, within deadlines to meet time-sensitive requests.

Project correspondence: collaborated with clients remotely through email, phone, and project management tools.

Communicated with various printers and manufacturers for clients as primary liaison.
